

STAFF COUNCIL MEETING SUMMARY

October 21, 2009 2:30p.m. – 4:30p.m.

General Business and Announcements

- Dillon Goodson, President of Student Government Association (SGA), briefed Staff Council on SGA's goals for the year and also detailed their efforts for continued MAP funding.
- Staff Council collected two truckloads of clothes during St. Vincent's Week.
- Staff Council's Heart Walk team raised \$855.
- Staff Council staffed a table at Loop Campus during the annual Human Resources Health Faire. We had 30 enter the raffle.

Programs and Green Efforts from Procurement

- Jeff Bromberek, Director of Procurement Services, detailing his area's activities in salvaging old equipment, recycling, and vendor selection that support the University's green initiatives. Procurement's website address is <http://financialaffairs.depaul.edu/procurement/>.

Review of Policies

- Mary McGuinness, Manager of Workplace Learning & Performance, presented the updated Performance Appraisal Policy for Council's review. After lengthy discussion (including request for some changes and additional research), Council approved the policy revisions.

University-Wide Committee Reports

- The University Benefits and Compensation Committee was briefed on the upcoming benefit changes, status of the staff compensation and equity study, lactation policy, and upcoming changes to the 403b program. This year's agenda includes investigating tuition waivers for second domiciled adults and part time staff benefits.
- The Athletic Board is currently working on Athletics third cycle NCAA 10-year accreditation review. As part of the review, committees and subcommittees have formed and will complete their work, having a draft document prepared in January.
